## KILLARA BEST AND FAIREST? MEMORABLE MOSMAN GALA CENTENARY DAY

FULL MARKS and congratulations to the Mosman club for their initiative in introducing the inaugural Centenary Gala Day, where bowlers from 14 of the of 16 oldest bowling clubs in the Sydney metropolitan area, enjoyed a day of bowl's nostalgia under blue skies accompanied by a gentle breeze.

The criteria to this unique day was that every club must be at least a 100 years old, with the Balmain club (1880) followed by Manly (1883), North Sydney (1888), Ashfield (1889), Waverley (1893), Randwick (1894), Neutral Bay (1898), Chatswood (1900), Hunters Hill (1901), Mosman (1902), Warringah (1903), Warrawee (1907), Beecroft (1913), Killara (1916).

Twenty eight teams totalling 84 players participated with many dressing in costumes of yesteryear, which included top hats, tails and of course the mandatory sweeping dresses and feathers, giving quite a glamorous touch to the occasion.

The winners were Waverley, whose name will be inscribed on the perpetual trophy, who finished one shot ahead of Beecroft. **The Killara club will host next year's event.**

## 50th EDITION

This issue of Killara Bowls News is the fiftieth by this Editor. The first was published January 2003 and has been produced approximately quarterly since. With over 600 pages so far, advertising has contributed many \$000's to club revenue.

## CHAIRMAN'S REPORT

I am sorry to report that **Elizabeth Calnan** has resigned as a Director and as Secretary of the Board for personal reasons. Elizabeth has been a tower of strength for me and the Board the last 2 years and both her secretarial and legal skills will be sorely missed. However it

is important that she has more time as primary carer for her mother in the immediate future. We wish her well and appreciate that she has offered to keep helping the Board on matters legal in nature. **Don Murphy** has been appointed to fill the casual vacancy and we welcome him to the Board. He has also been appointed Secretary and with his background as a former high ranking engineer experienced in contractual matters he has the necessary qualifications to add another area of expertise to the Board.

You will have noticed a few recent changes around the Greens with a large number of the timber seats being refurbished and the concrete paths water blasted to remove the dirt built up over many years. The gardens are still to be attended to by the greenkeeper so that they are in pristine condition for the centenary celebrations in 2016. Planning for the main Centenary function on February 20 next is well under way under the direction of **Bob Bessemer** and we look forward to a very high attendance from our members, invited dignitaries and guests. Invitations will be forwarded in December to allow the number of attendees to be anticipated for catering so please respond promptly.

Bob Bessemer and **John Cameron** are also well on the way with the preparation of a new website for the club which will be interactive and will publicise the club to a greater extent. Most people now refer to the internet when searching for a new club and we have to keep pace with other clubs to attract members. However, our more recent members have all joined through personal contact with existing members and I urge you to encourage your friends to try bowls with the hope they will join us on the greens.

It is with regret that the November club dinner had to be cancelled but the date clashed with another function which was to be attended by a large number of our members and their wives and their absence would have made our dinner run at a substantial loss. However it allows us to make the Christmas cocktail party a grander function which we hope will be attended by a large number of members and their partners. Please support this function, encourage the newer members to attend and please make them most welcome.

You will notice that the former raised platform at the south end of the clubroom has been removed and the area carpeted. This removes the danger of people and chairs falling off the platform and provides a larger room for bridge and functions.

I wish you and your families a Happy and joyous Christmas and hope that you enjoy good health and much happiness in the coming year.

Good bowling and best wishes.

*Dale McBean*

*Merry

On their way to the church to get married, a young Catholic couple were involved in a fatal car accident. Being good Catholics the young couple find themselves sitting outside the Pearly Gates waiting for St. Peter to process them into Heaven.

While waiting, they begin to wonder: could they possibly get married in Heaven? When St. Peter finally showed up, they asked him. St Peter said "I don't know. This is the first time anyone has asked. Let me go find out" and he leaves them sitting at the Gate.

After three months, St Peter finally returns, looking somewhat bedraggled. "Yes" he informs the couple "I can get you married in Heaven".

"Great!" said the couple "But we were just wondering, what if things don't work out? Could we also get a divorce in Heaven?"

"You must be joking" cries St. Peter, red-faced with frustration, slamming his clipboard on the ground.

"What's wrong?" asked the frightened couple.

"OH, COME ON!" St. Peter shouted "It just took me three months to find a priest up here..."

Do you have ANY idea how long it'll take me to find a lawyer?"

## PRESIDENT Julie Halliday

It has been a most interesting year with our members having to cope with a few blows as the Board progresses towards the Centenary year of 2016.

Our Tuesday's players have had to adjust to changes in the Club-house and it has upset a number of our senior women who were well-settled amongst the paintings, flags and artificial flowers. The necessary decision made early in the year for Sue to step away from helping us on Tuesdays affected many members but we wished her great enjoyment in the future. We have been managing the lunch period quite successfully and we continue to enjoy seeing her on other occasions at the Club. As a result of a vote in March by our management committee we eliminated four competitions from our annual calendar due to the waning interest in participation. Also, a more controversial decision was made to firmly abide by the 2014 and 2015 WBNSW Dress Policies that give us more freedom with our

attire on social days and for events run by the men's bowling clubs. It is clear that some of our decisions are not readily agreed to by all women members; however, I feel that we have turned over a new leaf within our Club and we can look forward to greater times during the next century of the Killara Bowling Club.

With all that noted, I wish to commend the ladies who have wholeheartedly supported me during this year of change. I am also pleased that our women bowlers have so readily been accepted in games conducted by the men's club and I extend special thanks to the men who continue to give us the opportunity to play bowls four days a week. Our Christmas Luncheon and Trophy Presentation will be taking place soon and I am looking forward to seeing bowlers wear colourful clothes for the camera that day to celebrate the festive season.

May you all enjoy the five weeks' break over the Christmas and New Year period before we resume bowling on Tuesday 12 January.

Keep safe!

*Julie*

# MERRY CHRISTMAS

## PRESIDENT Don Buddee

Our Open Day was held on Sunday 20th September. The management of the day was again undertaken by **Rick Edwards** who spent countless hours updating banners, attending shopping centres, distributing brochures and organising activities for the day. **A Big Thank You Rick!**

As was the case for the Autumn Carnival we restricted the Spring Carnival to one day of Open Triples. We had 72 players. The winners were from Artarmon with North Sydney the Runners-Up. The AM and PM winners were composite sides. Our Club benefits from the same members assisting us time and again and these members are Convenor **David Martin**, Main Support **Bob Hill** \*, **Jozef Zazulak** and **Bob Bessemer**. Roll Up room duties were undertaken by **Don Murphy** and **Brian Perkins**. Waiters and Kitchen duties were undertaken by **Alison Calder**, **Rhian Reade**, **Jan Stanwell** and **Julie Halliday** who also looked after the raffles. **Pictures Page 13**. Since our last newsletter we have contested many interclub events. We won at home but lost away in competing for **The Lindfield Painting**. The Lindfield Club holds the trophy with the best aggregate score. Our team for the **Jack Harkness Trophy** was defeated in the Semi Finals (we have won this event for the last two years). **The Langker Painting** trophy was successfully contested by Warrawee on 7th October. On 14th October we hosted the **Australian Club**. This day was a great success and we were clear winners in the aggregate score.

We held 3 Championship Competition finals this month. **Os Watt** and **Jozef Zazulak** won the Club Pairs with runners-up **Ian Calder** and **Tony Hunt**. **Clem Just**, **Os Watt**, **Don Buddee** and **Brian Shir-**

**vington** won the Fours Championship event with runners up **John Rayner**, **John Brodie**, **Rick Edwards** and **Rod Henriks**. The Triples Championship was won by **Dale McBean**, **Ken Howard** and **Warwick Druce** with runners-up **Clem Just**, **Ric Edwards** and **Rod Henriks**. This is the fourth year that Dale, Ken and Warwick have won the triples.

The Bob Sinclair Place of Origin was held following our AGM and was won by the "Sydney" team. **Pat Sinclair** was in attendance and she awarded the Painting Trophy.

We participated in the **Centenarian Bowls Day** at Mosman Bowling Club on 28 October. As the name suggests this Carnival was restricted to Bowling Clubs that have been in existence for 100 years or more. Next year's Centenarian Bowls' Day will take place at our Club.

Congratulations to the winners and many thanks to all the participants.

Now a few personal words about our great sponsor L.J.Hooker St.Ives:-

*"They assessed the value of my home  
They proposed the marketing campaign  
They attended the "Open for Inspections"  
They attracted ten registered bidders on the day  
They achieved a result that was beyond my wildest imagination  
Thank you to Phil, Matthew, Noelene and all other people involved in the sale of my house for your Professionalism*

Good Bowling  
Don

\* *Bob Hill is currently in North Shore Private following a quadruple By-Pass complicated by a Gall Bladder infection. He is quite unwell and is unable to receive callers or visitors at this time. We hope he is home for Christmas recuperating for bowling in the new year.*

God was missing for six days. Eventually, Michael, the archangel, found him, resting on the seventh. He inquired, --- "Where have you been?" God smiled deeply and proudly pointed downwards through the clouds, ---- "Look, Michael. Look what I've made." Archangel Michael looked puzzled, and said, ---- "What is it?" "It's a planet," --- replied God, --- and I've put life on it. I'm going to call it Earth and it's going to be a place to test 'Balance.'" "Balance?" --- inquired Michael, ---- "I'm still confused."

God explained, pointing to different parts of Earth.

"For example, northern Europe will be a place of great opportunity and wealth, while southern Europe is going to be poor. Over here I've placed a continent of white people, and over there is a continent of black people. Balance in all things..." God continued pointing to different countries. --- "This one will be extremely hot, while this one will be very cold and covered in ice."

The Archangel, impressed by God's work, then pointed to a land area and said, --- "What's that one?" "That's the Sydney's North Shore, the most glorious place on earth. There are beautiful trees and gardens, and days filled with sunshine. The people from there are going to be handsome, modest, intelligent, and humorous, and they are going to travel the world.

They will be extremely sociable, hardworking, high achieving, carriers of peace, and producers of good things." Michael gasped in wonder and admiration, but then asked, --- "But what about balance, God? You said there would be 'balance.'" God smiled, --- "I will create Canberra. Wait until you see the idiots I put down there!"

Thank you Jan and Roger Glover for your excellent pics . . With more to come!

## FUNCTIONS ORGANISER

*Judy McLeod*

Our second Trivia Challenge for 2015 was held on October 24 and once again it was a fun night for all in attendance. The numbers were down from the July challenge so we will need to advertise more locally next year in the supermarkets and shops of Lindfield and Killara to attract a larger number.

**Sue Cleary Shirvo** and **Bob Bessemer** make my contribution minimal but they are a great trio and very much appreciated: their enthusiasm is infectious.

Shirvo wasn't given an opportunity to play his mouth organ but baffled us with some very tricky trivial questions such as 'which finger nail is the fastest growing'!! If you were there you now know the answer. He does so much homework researching the questions I wish I knew more of the answers! Bob was able to sell off all 32 (unknown) disguised bottles of wine which had been donated for the night making a nice little profit for the club. We either bought a rare and aged wine or a cheap and cheerful bottle so all fun.

The winning table were visitors who knew enough to question Shirvo on some answers so it was a challenge for all!! They declined the cash prize and donated it to the Centenary Refurbishment Fund.

**Bravo!**

Our next social event was the **Melbourne Cup Day**. A little disappointing on two fronts this year as the rain spoiled any chance of a game for the bowlers but they, along with an extra 13 enjoyed another of Sue's delicious lunches. She always excels expectations doesn't she? Some members took the opportunity to have a quick game of bridge before lunch.

Bottles of wine were awarded to our 2 best dressed - this year they were the lovely **Elspeth Muirhead** and our esteemed club manager, **Warwick Druce**. I would like to thank those members who support so many of the social functions throughout the year because it is you who keep the club alive over and above the bowling activities.

An extra function was held on Sunday 15 November of barefoot bowls at 3.00 followed by a delicious meal at 5.30 of wood smoked ribs with nachos prepared by a caterer with the title of "**Longhorn BBQ**". It was enjoyed by 30 people young and old - some members and some visitors with a few little ankle biters running around having fun. **See Page 11. Ed.** In the hope we'll get better attendances at next years functions we have changed the dates for the three Club Dinners so there is more time between

each event. We hope you'll put the following dates in your personal diary so you will be available to attend one, some or all throughout the year. The major function in 2016 will be the CENTENARY GALA DAY on February 20 followed by:  
Club Dinner on Friday April 1  
Anzac Day Light Lunch and Mixed Bowls on Monday April 25  
Trivia Challenge on Saturday June 25  
Club Dinner on Friday July 22  
Foundation Dinner on Friday September 23  
Melbourne Cup Mixed Bowls & Lunch Tuesday November 1  
Christmas Cocktail Party on Friday December 9

SAVE THESE DATES FOR OUR CENTENARY YEAR PLEASE

Now I would like to wish you all the Seasons Greetings and Good Health for the coming year.

### An Old Farmer's Advice

Your fences need to be horse-high, pig-tight  
and bull-strong.

*Keep skunks and bankers at a distance.*

You cannot unsay a cruel word.

*Don 't judge folks by their relatives.*

Meanness don't just happen overnight

Remember that silence is sometimes the best answer

*Words that soak into your ears are whispered*

*.....not yelled.*

Life is simpler when you plough around the stump.

*Forgive your enemies; it messes up their heads.*

Do not corner something that you know is meaner than you.

*It don't take a very big person to carry a grudge.*

*Every path has a few puddles.*

When you wallow with pigs, expect to get dirty.

*The best sermons are lived, not preached.*

Most stuff people worry about, ain't gonna happen anyway.

*Live a good and honorable life, then when you get older and  
think back, you'll enjoy it a second time.*

Don 't interfere with somethin' that ain't bothering  
you none.

*Timing has a lot to do with the outcome of a rain dance.*

If you find yourself in a hole, the first thing to do is  
stop diggin'.

*Sometimes you get, and sometimes you get got.*

The biggest troublemaker you'll probably ever have to deal with,  
watches you from the mirror every mornin'.

*Always drink upstream from the herd.*

Good judgment comes from experience, and a lotta that comes  
from bad judgment.

*Lettin' the cat outta the bag is a whole lot easier than  
puttin' it back in.*

If you get to thinkin' you're a person of some influence, try  
orderin' somebody else's dog around.

*Live simply, love generously, care deeply, speak kindly, and  
leave the rest to God.*

At Wollongong University, there were four  
students taking chemistry and all of them had an  
'A' so far.

These four friends were so confident that the  
weekend before finals, they decided to go to Syd-  
ney and visit some other friends and have a big  
party. They had a great time but, after all the  
partying, they slept all day Sunday and didn't make  
it back to the Uni until late Monday morning.

Rather than taking the final then, they decided that  
after the final they would explain to their Professor  
why they missed it.

They said that they visited friends, but on the way  
back they had a flat tyre and found there was no  
spare in the car. As a result, they missed the  
final. The Professor agreed they could make up the  
final the next day. The guys were excited and  
relieved. They studied that night for the exam.

The next day the Professor placed them in sepa-  
rate rooms and gave them a test booklet.

They quickly answered the first problem worth 5  
points. Cool, they thought!

Each one in separate rooms, thought this was go-  
ing to be easy..... then they  
turned the page.

On the second page was written:

For 95 points:

Which tyre went flat?

## OUR HISTORY

ON THE CUSP OF OUR CENTENARY, WE ACKNOWLEDGE THE SELF-LESS DEDICATION OF THOSE WHO BUILT AND SUSTAINED OUR CLUB.

**J.I. Muirhead**  
**President 2005-08**

John Muirhead's family upbringing and later professional work have taken him to many interesting parts of the world. His parents came from a Civil Service and Military background and John, though born in England, had some of his early education in India. He had been evacuated from UK in 1940 and went to school in Bangalore and then Simla. In early 1944 he returned to England to complete his schooling. After study and a five year apprenticeship with an engineering company which was a major international fabricator of steelwork for the construction of bridges, power stations, buildings and harbour works, he gained his qualifications for membership of the Institution of Civil Engineers.

His first overseas posting in 1952 was for 15 months to Izmir (formerly Smyrna) in Turkey and in 1954 he was posted to Mombasa, Kenya for the construction of heavy port works in Kilindini harbour.

John met **Elspeth** in Mombasa, where she had been born and they were married in the Cathedral in December 1956. They lived in a "banda", a bungalow built of blocks cut from coral and roofed with "makuti" thatch made from palm leaves.

At the end of his 4 year contract they returned to London, where for the next two years John worked

*In the wilds of Africa*  
**John and Elspeth Muirhead**

on tenders for various projects including the Gladesville and Tasman bridges. Both were won and he accepted the position of Planning Engineer in Hobart. They flew to Australia with their young son and lived on the shore of the Derwent with Mount Wellington as the backdrop and only 2 minutes from the office. His next job was in Sydney on the construction of the first stage of the Warringah Expressway from the Harbour Bridge to Cammeray and in 1970 he joined a local firm of Consulting Engineers. John established his own independent consultancy in 1977 where his main interest was in harbour works. He sold it in 1987 but remained with the successors for five years. Since 1978, his special expertise has been used in over 100 disputes where he has acted as Arbitrator, Court appointed Referee, Expert Determiner or Mediator.

The Institution of Engineers, Australia made him **Emeritus Member of the Civil College** in 2000 and gave him an **Award of Merit for Engineering Heritage** in 2005. He was also made a **Life Fellow of the Institute of Arbitrators & Mediators Australia**. John joined KBC in 1997 and his wife Elspeth in 2002. They have been active participants in all aspects of Club life, socially and administratively leading up to his Presidency 2005-08 and thereafter as an active Board Member.

He made a further major contribution by designing and guiding the Car Park development through a labyrinth of Council regulations, and then supervising its construction. (*Probably a greater bureaucratic challenge than any of his bridges! Ed.*)

John and Elspeth have two sons and a daughter. John's interests include walking, sport, gardening and the performing arts.

Oh, and he was and still is, a very competitive bowler!

**CONGRATULATIONS**

While reading an article last night about fathers and sons, memories came

flooding back to the time I took me son out for his first pint.

Off we went to our local pub only two blocks from our house. I got him a Guinness. He didn't like it, so I drank it. Then I got him a Kilkeny's, he didn't like that either, so I drank it. Finally, I thought he might like some Harp Lager? He didn't. So I drank it. I thought maybe he'd like whiskey better than beer, so we tried a Jameson's, nope!

In desperation, I had him try that rare Redbreast, Ireland's finest. He wouldn't even smell it. What could I do but drink it!

By the time I realized he just didn't like to drink, I was so bloody drunk I could hardly push his stroller back home!!

*I haven't verified this on Google but it sounds legit.  
A recent study found that women who carry a little extra weight  
live longer than the men who mention it.*

Three women went down to Mexico one night to celebrate college graduation. They got drunk and woke up in jail, only to find that they are to be executed in the morning, though none of them can remember what they did the night before.

The first one, a redhead, is strapped in the electric chair and is asked if she has any last words. She says, "I just graduated from Trinity Bible College and believe in the almighty power of God to intervene on the behalf of the innocent."

They throw the switch and nothing happens. They all immediately fall to the floor on their knees, beg for forgiveness, and release her. The second one, a brunette, is strapped in and gives her last words. "I just graduated from Indiana University School of Law, and I believe in the power of Justice to intervene on the behalf of the innocent."

They throw the switch and again, nothing happens. Again, they all immediately fall to their knees, beg for forgiveness, and release her.

The last one, a blonde (you knew it), is strapped in and says, "Well, I'm from the Massachusetts Institute of Technology and just graduated with a degree in Electrical Engineering, and I'll tell ya right now, ya'll ain't gonna electrocute nobody if you don't plug that thing in."

**As I age, I realize that:**

I don't need anger management. I need people to stop p- - ing me off. My people skills are just fine. It's my tolerance of idiots that needs work. The biggest lie I tell myself is "I don't need to write that down, I'll remember it."

I talk to myself because sometimes I need expert advice. Sometimes I roll my eyes out loud. When I was a child I thought nap time was punishment. Now it's like a mini vacation. The day the world runs out of wine is just too terrible to think about. Even duct tape can't fix stupid, but it can muffle the sound! Wouldn't it be great if we could put ourselves in the dryer for ten minutes; come out wrinkle-free and three sizes smaller. If God wanted me to touch my toes, he would've put them on my knees. When the kids text me "plz" which is shorter than please. I text back "no" which is shorter than "yes". At my age "Getting lucky" means walking into a room and remembering what I came in there for. Chocolate comes from cocoa which is a tree, which makes it a plant, which means it's salad....Almost.

An old German Shepherd starts chasing rabbits and before long, discovers that he's lost. Wandering about, he notices a panther heading rapidly in his direction with the intention of having lunch.

The old German Shepherd thinks, "Oh, oh! I'm in trouble now!"

Noticing some bones on the ground close by, he immediately settles down to chew on the bones with his back to the approaching cat. Just as the panther is about to leap, the old German Shepherd exclaims loudly,

"Boy, that was one delicious panther! I wonder, if there are any more around here?"

Hearing this, the young panther halts his attack in mid-strike, a look of terror comes over him and he slinks away into the trees.

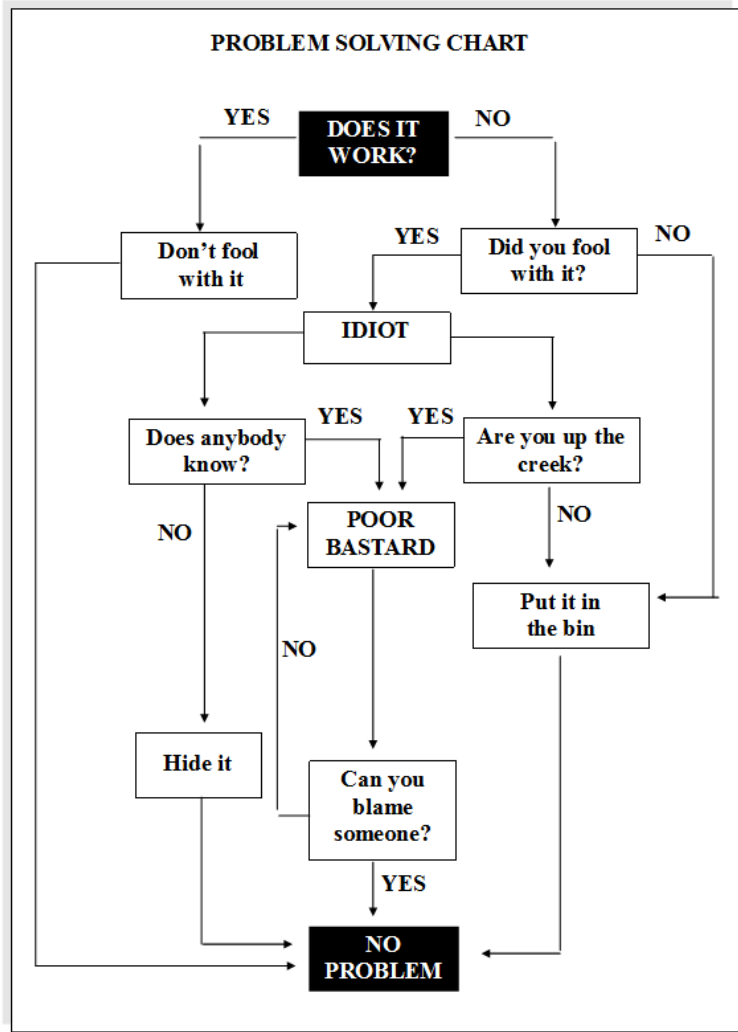

"Whew!," says the panther, "That was close! That old German Shepherd nearly had me!"

Meanwhile, a squirrel who had been watching the whole scene from a nearby tree, figures he can put this knowledge to good use and trade it for protection from the panther. So, off he goes.

The squirrel soon catches up with the panther, spills the beans and strikes a deal for himself with the panther.

The young panther is furious at being made a fool of and says, "Here, squirrel, hop on my back and see what's going to happen to that conniving canine!"

Now, the old German Shepherd sees the panther coming with the squirrel on his back and thinks, "What am I go-

ing to do now?," but instead of running, the dog sits down with his back to his attackers, pretending he hasn't seen them yet, and just when they get close enough to hear, the old German Shepherd says...

"Where's that squirrel? I sent him off an hour ago to bring me another panther!"

**AND THE MORAL** of this story...

Don't mess with the old dogs or Senior Citizens... Age and skill will always overcome youth and treachery!

**FROZEN CARBURETOR**

People often complain about the police, but you rarely hear about the positive things they do, such as this incident involving a biker and a frozen carburetor..

Last January on a bitterly cold winter's day, a North Dakota State Trooper on patrol came upon a motorcyclist who was stalled by the roadside. The biker was swathed in heavy protective clothing and wearing a full-face helmet to protect the face from the cold weather.

"What's the matter?" asked the Trooper  
 "Carburetor's frozen," was the terse reply.

"Pee on it. That'll thaw it out."

"I can't," said the biker.

"OK, watch me closely and I'll show you." The Trooper unzipped and promptly warmed the carburetor as promised.

Moments later the bike started and the rider left, waving.

A few days later, the local State Troopers' office received a note of thanks from the father of the motorcyclist.

It began: "On behalf of my daughter Jill..."
