We launch new WEB and email services.

Did you know some Northshore golf clubs provide information on Tee off times and provisions to book games via the internet? No! It is not likely that 'rollup' will be arranged this way in the near future however we will soon have the capability to do so.

To keep pace with technology and changing communications, the Club has commissioned a new internet WEB site and email address. These are now both active. In addition, the Club is in the process of upgrading computer capacity.

The first step, already ordered, is to upgrade internet connections to ADSL2 (Broadband) to materially increase the speed of incoming and outgoing messages; and to handle the new WEB connection.

As accounts are already processed with accounting software (MYOB) and some receivables are by electronic transfer, it is expected to replace computer hardware and software before year end to improve processing speed and capacity.

WWW.KILLARABOWLINGCLUB.COM.AU is our new WEB address. More details about this new facility and it's objectives are on page 10.

killarabc@tech2u.com.au is our new email address. More information is also on page 10 together with a survey to enable email contact between club and members.

FRED SALISBURY TROPHY RETURNS TO KILLARA

AGAINST THE TREND...

The challenge for the **Lindfield Painting** occurs twice each year and in the 50 contests since 1980, Lindfield have won 30 times to KBC's 20. A material edge to LBC. So— it is little wonder that this group of members is showing their pleasure with the result of the first round for 2008; a resounding win 6 games to 0 and a margin of 31 shots!

Although keenly contested, these matches are held with a tradition of friendly rivalry fueled by **Sue Cleary's** now famous scones, jam and cream at afternoon tea. A combination which proved to be our secret weapon! The return match is scheduled to occur at Lindfield BC 10th September. Our spies inform us that Lindfield have already instituted a rigorous coaching and practice regime to regain possession! However, this handsome work looks good in our gallery. It will not be given up easily!

From the chair . . .

... **Warwick Druce**

We were all saddened at the recent passing of two of our members. **Patricia Treloar** in December and **Pam Ramsey** in January. A former member, **Jim Geniale**, also passed in January. These were good friends and club members. We miss them greatly. Our condolences go to Howard, Malcolm and Livia. A photo tribute is on page 7.

Government regulation has now relaxed the requirement for companies to advise their shareholders (members) of their annual report. Advice may now be made via the WEB or by hard copy in a concise form if requested. The Board is looking at how the Club can benefit by reducing or eliminating our present practice of mailing out full copies to all members as it would seem savings of over \$1000 can be achieved. Our feeling is that members are not interested in reading pages of detail and a saving to the Club would provide a greater benefit to members. More on this later. We have welcomed 8 new members in recent weeks, which is very encouraging. Let us hope we can keep this up.

We have investigated the subsiding floor area near the bar and poker machines and are pleased to say the problem is not as serious as thought. Further movement has been stopped and the area is safe.

A new photocopier is being purchased as the old Canon, after 10 years is no longer economic – likewise the air-conditioner in the kitchen no longer works and will be replaced.

Several weeks ago, Rotary members who use our Clubhouse for dinners, had an unexpected visitor. A policeman, revolver at ready, car engine running, arrived at the Club in response to our Hold-up alarm. It was a false alarm set off accidentally by the barman. Several weeks later, I was rung at midnight by Security to say police were at the Clubhouse. Again it was the Hold-up alarm. This time there was no-one at the Club and police believe it was a storm that set it off, a not uncommon occurrence, apparently.

Security, generally, is becoming a greater concern with the Clubhouse not being locked up properly after use. We have now placed a checklist setting out lock-up procedures near the alarm key-pad. We ask everyone who may be responsible at any time for locking up to become familiar with these requirements and always check to be sure everything has been done before leaving. I realise we are all approaching the age of forgetfulness but please remember the safety of your Club is in your hands.

We recently held two birthday parties for members at the Club, one including bowls. We were informed both were very successful and we thank those members for choosing us and **Sue Cleary** for the food and planning, which helped to make them happy and memorable occasions. WD

Since returning to bowls in January, it was a case of the "lull before the storm". Our first weeks were fairly quiet, eventwise, but not much bowling - either very hot or very wet - but we did have some pleasant days.

However, the year is catching up with us and we have been involved in many bowling events, both at home and away.

In February members contested the District events of James Wall Shield and State Fours, performing creditably and Killara was the venue for the third day of the Fours. It was a busy day with 32 players, but all went well with excellent bowls being played and a pleasure to watch. (I had a birds eye view as Umpire). February also saw the Half-Yearly Meeting of KWBC with a good attendance, business satisfactorily completed and then a happy game of bowls.

March came in and with it a host of events! On almost consecutive days we were involved with the Blue Bird Shield at Artarmon (3rd on countback) our own Friends' Day at Killara, Top Ten at Gordon (3rd again on countback), Belrose Friendship Day (good performance), Warrawee Painting Exchange Day at Killara and at the present time, the Tapner Trophy at St. Ives! We have Easter just ahead and then straight into the Pennant season! We are certainly getting plenty of practice. On this score, it was disappointing that we were unable to keep our commitment to have Pennant practice with the men, but on both of the scheduled Saturdays it rained!

During the past half year, we sadly have to report the passing of two esteemed members, **Pat Treloar** and **Pam Ramsay**. These two delightful women were what Clubs dream of as members and their going is a great loss to us all. Tributes will be found elsewhere in newsletter. Vale Pat and Pam.

As mentioned earlier, we had two really happy days in welcoming members from other Clubs for Friends' Day and then six teams of Triples from Warrawee for the Painting Exchange. On each day we all enjoyed a welcome morning tea (with home-made goodies) followed by a relaxing game of bowls before returning to the Clubhouse for a delicious luncheon. Prizes were awarded and accepted happily for prowess in the field and on the latter occasion we were delighted to take into our care the delightful painting for the next 12 months. Sincere thanks go to all those who help to make these days so pleasant - the complimentary comments from our visitors give proof to this. (Two

people who require special mention are husbands, **Graham Shirley** and **Frank Lang**, who provide that all important "manpower" before our special events - thank you, fellas!)

Members in our thoughts experiencing health problems include **Robin Hey** with a troublesome knee, **Joan Young** recovering from an unfortunate fall and **Pat Hamilton** "on the mend". We look forward to welcoming them back to the ranks very soon.

Our Chairman of Selectors, **Nance Swanson**, has had a colossal task in trying to complete selection for our Pennant teams, embracing Grades 2 and 4. With unavailability at a record high, this task has been extremely difficult and we are very grateful for Nan's commitment. She has the excitement ahead of an overseas trip, including a special invitation to Buckingham Palace, so we do wish her well for this well-deserved break. Thank you, Nance.

Good luck to everyone for the pennants! **Jean**

LOVE IS IN THE AIR

Well boys and girls! We have an **exclusive scoop** that the knot will be tied between **Ed Nuffield**, a 14 year member and **Christine (Pip) Burke**, who joins us from Newport this year. Our source says the nuptials will occur 15th June. When you read this in *Woman's Day* and *New Idea*, remember you saw it here first!

Pennants. The 2008 Pennants season is in progress and we have teams in Grades 6 and 7. Your Committee formed the opinion that it was important for the Club that our Grade 6 team regain its position in Grade 5 as soon as possible and this view has been embraced by the Selectors. It was

also of the view that coaching of potential team members during trials would help.

At the time of writing we have played three rounds, the Grade 6 teams have won all encounters, the Grade 7 team has won two out of three. This year we face some different opponents from recent previous years, some new, some old friends or foes, depending on your approach to sport. The main objective is to enjoy the game but we all enjoy it better when we win.

Coaching. This year we have taken a different approach to coaching by inviting **Edwin Burton** to observe our trial games and to offer coaching tips to players on the spot, where improvement to technique or tactics are seen to be beneficial. Incidentally, a change in the Laws permits coaching while a match is in progress, provided it is given off the field of play.

Our Coaches Edwin Burton, **Ed O'Donnell** and **Gof Bowles** have given us their time and expertise and they deserve our sincere thanks for their dedication. We hope that our results will continue to reward their contributions.

Killara Bowl. We have recently won the first of the 2008 bi-annual matches against Killara Golf Club for the "Killara Bowl" trophy. This is also known as the "Stedman Bowl", because it consists of a wooden bowl engraved with the initials "JS" mounted on a wooden base. The bowl belonged to the grandfather of our present member **Keith Stedman**. Keith was a member of one of our winning rinks this autumn.

The games have been played since 1979 and the winner and date are displayed on the trophy on small silver shields. It was necessary to add another level to the base to accommodate the shield to record the Killara Golf Club win in 2006. We are fortunate that **Bill Jones**, Chairman of the Golf Club Bowlers and KBC member, has the skills required to make the extension.

The Warrawee Painting. The Eric Lanker oil painting trophy was presented in 1973 by two Warrawee members Arthur Salenger and Stuart Lamb. We were successful in our recent game played at Warrawee on 13th February. The loser has a copy of the painting to fill the gap on the trophy wall. When added to our success against Lindfield (see front page) we have made a great start to 2008!

Membership Drive. The Club has embarked on the first stage of a membership drive with the help of one of our sponsors Seniors Mortgage Finance. Letters have been sent out to about 190 residents of Killara containing brochures from SMF and KBCL. Thanks go to **Lea McNeall** and members of KWBC for helping to fill envelopes and posting. It is too early to assess the success of this stage but

some returns have been received. The second stage will be a similar mail out in the Lindfield postal area.

Umpires. **Ken Howard** has accepted Chairmanship of the Umpires, succeeding Edwin Burton; his first Roster, extending to early June' has been issued. Thank you Ken.

Locker Rooms. Planning is in progress for the re-arrangement and updating of the locker room under **Martin McMurray** and **Graham Shirley**. A scale sketch of the area has been made and quotations received for repainting the lockers. Space considerations appear likely to dictate that the locker room areas will have to be shared by Men and Women. This is not thought to be a problem because we have no shower facilities and members usually come to the Club dressed in their bowling gear. It is anticipated that we will be able to provide more low level lockers and that all lockers will be on the ground floor.

Triples and Fours Club Competitions. The Committee is concerned at the small number of entries for these Competitions in recent years. It has been suggested that the existing system tends to produce a few teams comprised of the best players in the Club and does not encourage less experienced players to enter. The fun and experience of the competitions is not spread widely among members.

The Committee has decided that, as a trial for this year, entries will be invited from individual members rather than from self-selected teams. The Selectors will then conduct a random draw from all entries to make up the teams. It is hoped that more members will enter, participate and gain the benefits from the competition.

Dear Mr, Swartz,
Re: Your letter 24th

I fully realise that I have not succeeded in answering all of your questions . . . Indeed, I feel I have not answered any of them completely. The answers I have found only serve to raise a whole new set of questions, which in turn lead to more problems, some of which we weren't even aware were problems. To sum it up . . . in some ways we are confused as ever, but I believe we are confused on a higher level, and about more important things. Until these matters are resolved, we would be grateful if you desist from writing to us further.

Yours Sincerely,
A.A. Reed

Su Wong marries Lee Wong.

The next year, the Wongs have a new baby. The nurse brings over a lovely, healthy, bouncy, but definitely a Caucasian, WHITE baby boy.

"Congratulations," says the nurse to the new parents.

"Well Mr. Wong, what will you and Mrs. Wong name the baby?"

The puzzled father looks at his new baby boy and says,

"Well, two Wong's don't make a white, so I think we will name him . . .

HOME REMEDIES

- .To remove a plaster, saturate with vodka. The solvent dissolves adhesive.
- .To clean the caulking around bathtubs and showers, fill a trigger-spray bottle with vodka, spray the caulking, let set five minutes and wash clean. The alcohol kills mould and mildew.
- .To clean your glasses, wipe the lenses with a soft, clean cloth dampened with vodka.
- .Apply vodka to your face as an astringent to cleanse the skin and tighten pores.
- .Add a jigger of vodka to a 12-ounce bottle of shampoo. It cleanses the scalp, removes toxins and stimulates the growth of healthy hair.
- .Fill a trigger-spray bottle with vodka and spray bees or wasps to kill them.
- .To cure foot odour, wash your feet with vodka.
- .Vodka will disinfect /alleviate a jellyfish sting.

And.. silly me...

I've only been drinking the stuff!!!

A fellow is getting ready to tee-off on the first hole when a second fellow approaches and asks if he can join him. The first says that he usually plays alone but agrees to let him play along.

Both are even after the first couple of holes.

The second guy says, "Say, we're about evenly matched, how about we play for five dollars a hole?"

The first fellow says that he usually plays alone and doesn't like to bet however reluctantly agrees to the terms.

Well, the second guy wins the remaining sixteen holes with ease. As they're walking off the second guy is counting his money and confesses that he's the pro at a neighboring

course and likes to pick on suckers.

The first fellow then reveals that he's the Parish Priest at the local Catholic Church. The pro gets all flustered and apologetic and offers to give the Priest back his money. The Priest says, "No, no. You won fair and square and I was foolish to bet with you. You keep your winnings."

The pro says, "Well, is there anything I can do to make it up to you?"

The Priest says, "Well, you could come to Mass on Sunday and make a donation.

Then, if you bring your mother and father by after Mass, I'll marry them for you."

WHAT SHOT WOULD YOU PLAY?

Discussion from www.ecoachbowls.com (recommended)

Playing second : your view from mat end.

Situation:- You are 3 down as your lead has gone AWOL! and you are under pressure. Your first bowl was overweight, narrow and through the head.

Discussion:- Too early to panic! The aim must be to get 2nd or 3rd shot and start to provide more options for 3rd and skip. No up or weighted shot is advised as this is a low percentage option. The risk of losing numbers and the game are more likely.

The shot with the best odds for success would be a draw around the short bowl. If the bowl goes behind it could still be useful later. *A short bowl is probably the worst result you could get, as this restricts the options and blocks the head.* Trying to draw under the head risks losing the bowl narrow and would be useless. Taking an aiming line a little wide is preferable.

What shot would you call?

Australia Day was quite a successful day with 42 players for bowls and an extra 3 for meal only, 45 in all. We collected \$979.00 with deduction of green fees and cost of meal, prizes, etc. net profit was \$362.00, plus \$90 for bar, \$92.00 for raffle.

I selected the bowling teams, **Warwick Druce** bought the chicken and rolls, **Sue Cleary** very kindly made a potato salad and a green salad. **Barbara Cotton** brought the sweets and Raffle, and served the meal with the help of **Elaine Morell**. **Val Newlands** and I set the tables and **Joan Bain** sold raffle tickets. A good club effort. Luckily the weather was good and everybody appeared to have a happy

day. Fortunately we are just managing to have enough numbers for twilight bowls.

A lovely time for playing bowls. *Beryl Stephens*

ED O'DONNELL ... *Often heard on the mat ...*

"I always put the bowl down in the same way!" Why is it that the first will be across the head; the second wide on the other side both 'jack

high'; and the third in the ditch?" The cause of your frustration is in your delivery. In your practice sessions your primary aim should be, to 'groove your delivery' -- before attempting wresting, plant and supplant, and other fancy shots. All these of course are merely variations of the **draw**.

Endeavouring always to deliver the bowl in the same way is a goal that we all have. The other members of the club will tell you ... "stay down" "don't lift your head" "you're flicking" "bend your back knee" and other dictums, in their well meaning attempts to ease your frustration. In their own way they are trying to coax you, prod you, push or even drag you to **enlightenment** regarding our game of Lawn Bowls, viz: relaxed concentration.

Think through your stance and your delivery. The correct grip on the bowl; placing your anchor foot in the direction of the grass line for the chosen shot, with your weight on the balls of the feet; visualizing the path of your bowl; fixing your eye on your focus point and delivering the bowl

with a smooth pendulum swing over this point; all of this performed each time you deliver your bowl! At the moment of delivery is ninety percent of your weight on **the front foot**? *Oh the joy of the 'skip' observing the art of a well grooved delivery by the lead and second.*

To try to reduce your margin of error I would like to suggest you set as your performance goal for your next game - *Improve the stability of my technique.*

The stability of your breastbone at the instant the bowl is released is essential for consistency in your delivery. While your arm is swinging (relaxed) in the plane of the grassline, your shoulder lowered, and your back knee bent, unless your breastbone is 'stock still' at the moment of delivery and for some five seconds after, your bowl will not finish at your intended mark. If your chest is moving forward, up, down, backwards or to the left or right, this is transferred to your hand and hence to the bowl. The result will be through the head, long, short, wide and sometimes (if you're lucky) on the jack.

If you stay stationary with your arm outstretched along the grassline for the count of five, say, in your follow through, you may feel that you are posing. Complete the delivery standing stationary at the front of the mat to obtain the feedback needed to adjust your next shot. This stability may be just the thing needed in your game to increase your enjoyment. *Good Bowling!*

A grandmother was pushing her little grandchild around Coles. Each time she put something in the basket she would say, "And here's something for you, Diploma." or "This will make a cute little outfit for you, Diploma." and so on.

Eventually a bewildered shopper who'd heard all this finally asked, "Why do you keep calling your grandchild Diploma?"

The grandmother replied, "I sent my daughter to the University of Armidale and this is what she came home with!"

A U.S. Navy Admiral was attending a Naval conference that included admirals from the U.S., English, Canadian, Australian and French Navies.

At a cocktail reception, he found himself standing with a group of half dozen or so officers that included personnel from most of the countries.

Everyone was chatting away in English as they sipped their drinks but a French admiral suddenly complained that, whereas Europeans learn many languages, Americans learn only English. He then asked: "Why is it that we always have to speak English in these conferences rather than speaking French?"

Without hesitating, the American Admiral replied: "Maybe it's because the Brits, Canadians, Aussies and Americans went to great trouble and arranged it so you wouldn't have to speak German."

OLD MEN (GENTLEMEN)

A elderly gentleman, (mid nineties) very well dressed, hair well groomed, great looking suit, flower in his lapel smelling slightly of a good after-shave, presenting a well looked-after image, walks into an upscale cocktail lounge. Seated at the bar is an elderly looking lady (mid eighties). The gentleman walks over, sits alongside of her, orders a drink, takes a sip, turns to her and says, "So tell me, do I come here often?"

An elderly gentleman had serious hearing problems for a number of years. He went to the doctor and was fitted for a set of hearing aids that allowed the gentleman to hear 100%.

The elderly gentleman went back in a month and the doctor said, "Your hearing is perfect. Your family must be really pleased that you can hear again."

The gentleman replied, "Oh, I haven't told my family yet. I just sit around and listen to the conversations. I've changed my will three times!"

Two elderly gentlemen were sitting under a tree when one turns to the other and says: "Slim, I'm 83 years old now and I'm just full of aches and pains. I know you're about my age. How do you feel?" Slim says, "I feel just like a new-born baby."

"Really!? Like a new-born baby!?"

"Yep. No hair, no teeth, and I think I just wet my pants."

Hospital regulations require a wheelchair for patients being discharged. So while working as a student nurse, I found one elderly gentleman--already dressed and sitting on the bed with a suitcase at his feet--who insisted he didn't need my help to leave the hospital.

Next column

After a chat about rules being rules, he reluctantly let me wheel him to the elevator. On the way down I asked him if his wife was meeting him.

"I don't know," he said. "She's still upstairs in the bathroom changing out of her hospital gown."

**THIS WILL TEST YOU . . .**

Below are four (4) questions and a bonus question. You have to answer them instantly. You can't take your time, answer all of them immediately. OK? Ready? GO!!!

First Question: You are participating in a race. you overtake the second person. What position are you in?

Answer: If you answered that you are first, then you are absolutely wrong! If you overtake the second person and you take his place, you are second! Try not to muck up in the next question.

Second Question: If you overtake the last person, then you are...?
Answer: If you answered that you are second to last, then you are wrong again. Tell me, how can you overtake the LAST Person? You aren't very good at this!

Third Question: Very tricky math! Note: This must be done in your head only. Take 1000 and add 40 to it. Now add another 1000. Now add 30. Add another 1000. Now add 20. Now add another 1000 Now! Add 10. What is the total? Did you get 5000? The correct answer is actually 4100. Don't believe it? Check with your calculator! Today is definitely not your day. Maybe you will get the last question right?

Fourth Question: Mary's father has five daughters: 1. Nana, 2. Nene, 3. Nini, 4. Nono. What is the name of the fifth daughter?

Answer: Check at bottom!

Okay, now the bonus round: There is a mute person who wants to buy a toothbrush. By imitating the action of brushing one's teeth he successfully expresses himself to the shopkeeper and the purchase is done. Now if there is a blind man who wishes to buy a pair of Sun-glasses, how should he express himself?

He just has to open his mouth and ask, so simple! Nunu? NO! Of course not. Her name is Mary. Read the question again.

ONE FOR THE LADIES

A man and his wife were sitting in the living room and he said to her,
"Just so you know, I never want to live in a vegetative state, dependent on some machine and fluids from a bottle. If that ever happens, just pull the plug."

His wife got up, unplugged the TV, and threw out all of his beer.

ONE FOR THE MEN

An old man goes to the Wizard to ask him if he can remove a "Curse" he has been living with for the last 40 years. The Wizard says "Maybe, but you will have to tell me the exact words that were used to put the curse on you. The old man says without hesitation :

"I now pronounce you man and wife."

FOR THOSE NOT ON THE INTERNET, HERE IS A GLIMPSE OF THE SIX PAGES OF OUR WEB ADDRESS **WWW.KILLARABOWLINGCLUB.COM.AU**

The web site is in full colour and provides visitors with information on membership, social activities (including barefoot bowls), facilities hire and catering and useful links to NSWBA, RNSWBA, Bowls Australia and Zone 9. There is also a club notice board and our current newsletter. More on this aspect later.

For those who have access to the internet **-check it out!**. The correct way to do this is to enter **www.killarabowlingclub.com.au** into the **address bar** of Internet Explorer or equivalent. As we are only new to the web, you will have no success if you enter this address into a search engine such as Google or Yahoo!

We suggest you save the address in your 'favourites' to make future access easier.
EMAIL

While there is a link within our web site to communicate with the club, we also have a stand alone email address via a local Internet Service Provider (ISP) This address is . . . **killarabc@tech2u.com.au** . Messages can be sent from computer or phone; and documents can be sent or received e.g. invoices, statements, quotes, membership details, inter-club fixtures and so on. It will also enable SMS messages to mobile phones.

KILLARA BOWLS NEWS is produced in full colour but printed in black and white for economy reasons. We could achieve significant economies (and save resources) if we could provide newsletters, Notices, Annual Reports and similar documents via email other than hardcopy. **To enable this we wish to establish a Register that records members email addresses and/or mobile phone numbers.**

Typical messages may read: *The new edition of KB News is now on our website.*
or, Please refer our website for notice of KBC Ltd Annual General Meeting scheduled for 31st February 2009. at 12 noon or,
Due to recent heavy rains the match v Gordon BC has been rescheduled to (date) at GBC, rollup 12.45. Please advise only if unable to attend.
