## ANZAC DAY

Persistent rain caused changes to the planned mixed bowls games but did not dampen the Commemorative Programme. An excellent Lamb Roast luncheon catering to sixty one diners was followed by the Ceremony under the Flag Pole with **Ken Boyd** giving a thought provoking address. **John Taylor** was Flag Orderly. The Last Post was movingly played by **Stephen O'Sullivan**.

last done a number of years ago. The collective cost of these projects does not come cheap but we feel it is necessary to maintain the Club's assets.

The continuing viability of our Club depends, in the main, on the number of members and the extent to which that membership uses the club's facilities. It has been pleasing to see how we have been able to attract new bowlers over the past 3 years, which has held our numbers fairly constant, however the green fees and bar and canteen revenue have not kept pace. We therefore need to not only continue our efforts to attract new members but also lift our participation on the greens and in using the clubhouse facilities. This can also be achieved by members inviting visitors to join them for social as well as competition events.

*Good Bowling Ian Armstrong*

The Board is undertaking a number of maintenance projects in order to keep our clubhouse and grounds in good shape. You will be aware that we re-furnished the old poker machine area and repainted the inside and outside of the clubhouse windows at the end of last year. Since then we smartened

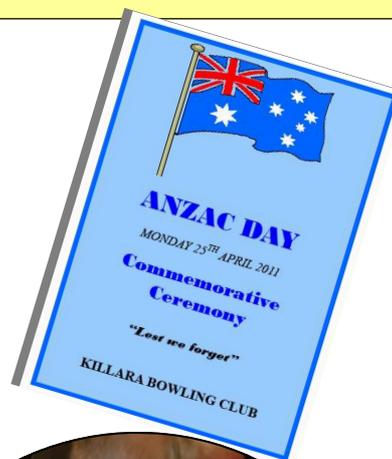

up the notice boards for both the men and women members and, as reported by me in the February newsletter, are taking action to "shore up" the steps leading up to No.1 green.

Members will be pleased to learn we are presently getting quotes to repaint the clubhouse roof, a job that was

Dear Members,  
Hope you had a Happy Easter.  
The Handicap Pairs began our New Year. Twelve teams entered and it was won by **C. Burke** and **M. Hearder**.

This was followed by the Fours Championship - unfortunately not too many teams entered. It was won by **L. Geniale, M. Nowland, J. Brierley** and **R. Hey**.

Then came the District Fours - three teams entered and two went through to the Quarter Final. This was a good result . Congratulations.

Top Ten at Gordon came next, with **A. Burton, S. Hashimoto, M. Hearder, A. Cowlshaw, E. Dokulil, E.**

**Morell, L. Geniale, J. McLeod. E. Cowlshaw** and **J. Brierley** playing Singles, Pairs, Triples and Fours - **S.Hashimoto** and **M. Hearder** had a win in the Pairs. The games were followed by a delightful lunch, provided by the Gordon Club, with the Mayor of Ku-ring-gai presenting the Trophy to Gordon Club - The Winners.

Pennants commenced on the 22nd March and have now completed. Unfortunately not a good Competition for our Club, gaining only 10 points. However, thank you to the eight girls who played so hard and gave their all. We went to the Tapner Triples - a morale booster - we won the afternoon Session - congratulations to **A.Burton, J. Brierley** and **R. Hey**.

In between these Competitions, we had Friend's Day - it was a "bring a plate" for lunch, which was delightful. Thank you. Some old Members joined us for a Happy Day of Bowls and Gossip!. *Elizabeth*

**CONGRATULATIONS TO OUR NEW GISSING CHAMPION JOHN RAYNER**

'Slightly' under-estimated by the handicappers, John has earned his accolade as a good and consistent player.

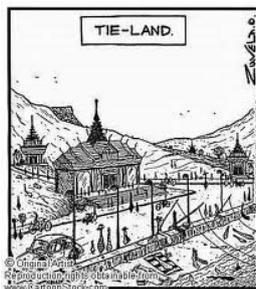

*The other day I needed to go to the public hospital, but not wanting to sit there for 4 hours, I put on my blue jacket and pinned on a plastic ID card that I had made off the Internet onto the front of my jacket.*

*When I went into the hospital, I noticed that 3/4 of the people got up and left. I guess they decided that they weren't that sick after all. Cut at least 3 hours off my waiting time.*

*Here's the patch. Feel free to use it the next time you're in need of quicker emergency service. It also works at Centrelink. It saved me 2 hours. At the Laundry, three minutes after entering, I had my choice of any machine, most still running. Don't try it at McDonald's though.....*

Another three months have been and gone and what a busy time it has been at the Club.

The first round of the Stedman Bowl Trophy against our friendly foes from the Killara Golf Club took place on 8 March. KBC was victorious winning 4 games to 2 and 130 points to 104. The final game is

scheduled to be played on 16 August 2011.

**Cyril South Competition.** The final of ten rounds was played on 13 April, resulting in Asquith BC defeating KBC 70 points to 60. The semi-finals will be played at KBC on Wednesday 27 April, **Belrose vs Warrawee** and **Turrumurra vs West Pymble**. The final will be played at KBC on Wednesday 4 May.

**2011 Pennants.** The Grade 6 team remains undefeated after seven rounds and holds a 9 point lead over their nearest rival, Belrose. Hearty congratulations to all team members.

The Grade 7 team has had mixed results this year and is lying fourth with two matches and a bye remaining.

Team members will all benefit from this year's matches and as a result will be a better team next year.

**Autumn Carnival.** This carnival will be played over three days on 20 May, 22 May and 23 May, under the direction of our Convenor **David Martin**, his 2 I/C **Bob**

**Hill**, and a large team of Members (men and women) assisting in various ways.

We are still looking for more entrants, particularly from our Killara Men's Triples teams.

**Sponsorship Board.** The long-awaited Sponsorship Board is soon to become a reality, adjacent to the space vacated by the poker machines. **Brian Shirvington** and **Bob Bessemer** have this matter in hand and I am assured it will be in place by the Autumn Carnival. Please remember our Sponsors are vital to our members' enjoyment of the Club's amenities. Your Board encourages you to contact them when you need the services they provide.

**St Patrick's Day Dinner.** Our annual St Pat's Day Dinner held on Friday 11 March was a great success and thoroughly enjoyed by 64 members and their guests. Special thanks to our organizers **Barbara Cotton** and **Elaine Morell**, and always our grateful thanks to the kitchen staff headed by **Sue Cleary**.

**Anzac Day Commemorative Ceremony.**

Rain curtailed the bowling but not the occasion. Sixty one members and visitors sat down to a very pleasant meal as a preamble to the traditional Ceremony. It is always interesting to see visitors from neighbouring homes arriving and swelling the ranks so that some 75 paid homage to those who have made the ultimate sacrifice. Thank you Sue, Barbara and the many who contributed. A photo montage of the occasion is on the pages of this newsletter.

Reproduced from Bowls Australia feature "Lifting the Lid" by Neil Dalrymple, Bowls Australia CEO.

**There were 514,486 playing bowls in Australia in 2010, who were spread across:**

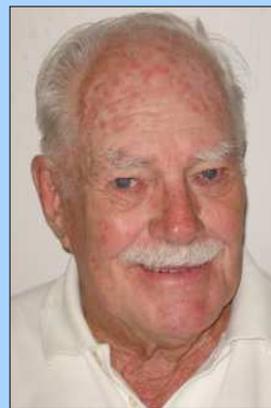

- 158,548 pennant competitions;
- 186,738 participants in other competitions
- 165,594 in social, corporate and school competitions and programs.

**The 60-74 years age group is the largest bowls segment, with 42% in 2010. The 75+ age group and 40-59 years age group contributed 24% and 22% of respectively, while the age groups under 40 years contributed just on 12% of participation.**

**Non-metropolitan, or country, activity outstrips metropolitan participation in bowls. In 2010, 59.5% of bowlers were in country regions (although these country regions accommodate just 38.6% of Australian residents).**

### ON THE SICK LIST

This always smiling and welcome face belongs to **Keith Stedman**, a regular at Thursday's **Burns & Burns Triples**. Keith hold the Club's oldest membership, 41 years, having joined in 1970. He is now an Associate from Balgowlah.

## Functions and Mixed Bowls Report . . .

*Barbara Cotton*

The Australia Day Luncheon and Mixed Bowls was held on 26 January - the final number attending was 41 for lunch, with about 19 playing bowls afterwards. Owing to the extreme heat - the game was concluded at 3p.m. and the decision of KBC not to charge Green Fees for the day, was very well received and appreciated. Despite the heat and several hiccoughs during the day, everybody seemed to have an enjoyable time. Thank you to **Elaine Morell** and **John Baker** for their sterling efforts with the ever changing Roll Up numbers.

The Shirts and Skirts Match to have been held on the 6<sup>th</sup> March, was deferred, owing to the heat, and also to the number of cancellations. The response was rather disappointing in that, although we had 39 down to come, only 9 of these were men, and that dwindled to 5. The Match will be rescheduled later in the year.

With the end of Daylight Saving, the last Twilight Bowls was held on Friday, 1st April - the numbers were not enough for dinner, but fourteen played Bowls, and were joined by five others, for drinks and finger food later - a very happy night. I would like to thank all those who have supported Twilight Bowls and for their help - this has been very much appreciated. Twilight Bowls will resume on Friday, 7<sup>th</sup> October.

Card Days have continued to be well attended, although in April we only had 34, due to illness and a couple of players now unable to come. However, the days have been very enjoyable and resulted in a return of from \$350 to over \$400 per day for the Club..

St. Patrick's Day Dinner and Bowls on Friday, 11th March, was well attended - twenty five played Bowls and sixty two sat down to the very enjoyable Roast Beef dinner, prepared by **Sue Cleary**. It was very nice to welcome our Sponsors, **Richard, Julia and Andrew Burns** as our Guests for the evening, and to have **Lee and June Sanders** back with us, **Pat Sinclair** with her visitors, **Mary and Margaret Murdoch**, and **Beverley Brindle**.

**Tony Hodgson** proposed the Loyal Toast, and Lee Sanders said Grace. After saying a few words, Andrew presented the Prizes. Thanks are due to all those who contributed to the success of the evening, including **Warwick, John and Elaine, Gof Bowles** who fixed the Tables, **John Brodie** who took photos, **Cyril and Joan** for the music and all those who helped with the serving of the meal.

The Killara/Warrawee Painting Exchange Match was held on Sunday, 10<sup>th</sup> April. The numbers for this were disappointing - Warrawee could only field 12 and Killara had 18, so one of the Killara Teams played on behalf of Warrawee, with a very successful result for Warrawee!. It was a very happy day, despite the fact that the rain

caused play to cease just after afternoon tea. The result was Warrawee 71, Killara 41. Congratulations to Warrawee and the painting has returned with them. The miniature is back on our wall. A big thank you to all those who provided the afternoon tea and helped during the afternoon. We are looking forward to the return Match at Warrawee on 18 September.

The Committee had a Meeting regarding Sunday Bowls and following discussion and suggestions it has been decided to give the following format a trial:-

There will not be anybody on Roll Up between 11.00 and 12 noon. Any Members who are interested, would be welcome to join **Margaret Mitchell** and some others, from about 1.45pm. for a casual roll up, in mufti if preferred. No need to book in, just be there about 1.45 and a game will be arranged. Margaret's phone number is 9498 3112 if you would like further information. A list will be up on the Board with the organised events - such as Visit by Killara Golf Club, Warrawee Painting Exchange, Mixed Triples and Mixed Pairs, etc, with accompanying lists for entry.

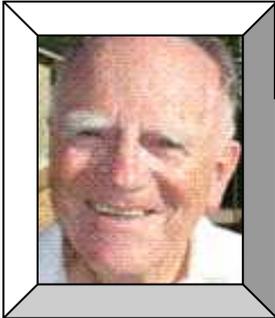

When you read this, we will have marked Anzac Day and received the visit of Killara Golf Club Sunday 1st May. Impending is the Autumn Carnival ( 20<sup>th</sup>, 22<sup>nd</sup> and 23<sup>rd</sup> May) followed by the Mixed Pairs Competition, starting on Sunday 29<sup>th</sup> May, 2011.

With Best Wishes . . .

**Barbara**

Thank you John Brodie!**

## SELECTOR'S REPORT

*Michael Tsolakis*

### Pennants:

The seventh round of the Competition (16th April) was cancelled due to rain. The Zone 9 Match Committee has advised that these matches will only be played at

the conclusion of the sectional draw if the outcome could affect the final result.

The following is a summary of the KBC'S progress to date in each grade:

**Grade 6** team remains undefeated in their section and hold a nine point lead over their nearest rival, Belrose. The KBC team is in a strong position at this stage to progress, for the second successive year, to the Post Sectional Draw (round Robin Play). This is scheduled to be played on Saturday 21st and Sunday 22nd May, 2011.

**Grade 7** has won one (1) of its six (6) matches and is placed fourth in its section.

Due to unforeseen circumstances the selectors have had to draw on Grade 7 team members to fill in for the Grade 6 team during the first six rounds played. This has impacted on the stability of teams in the lower grade. However the selectors' decisions have, at all times, reflected the Royal N.S.W. Bowling Association 2010-2011 Conditions of Play: Rule - 4.16

### Player Grading/Elevation/Regression.

Our thanks to the social players who have made themselves available at short notice to ensure that Grade 7 remained competitive.

### 41st Year Cyril South Competition:

The fundamental aim in this competition (of three rinks triples) is to provide an opportunity for as many KBC members to play against the ten (10) guest clubs: Asquith, Balgowlah, Belrose, Gordon, Hornsby, Lindfield, St. Ives, Turramurra, Warrawee and West Pymble. This competition is restricted to Grade 3 - 7 representatives from the ten (10) identified clubs.

Twenty eight (28) KBC members registered their interest to compete in this competition and were given the opportunity to play in at least three games.

The four (4) clubs with the highest winning margin against KBC in the 2011 Competition were Belrose, Turramurra, Warrawee and West Pymble.

The following is a summary of the Semi Final and Final matches:

**Semi-finals:** Wed.27th April: Belrose v Warrawee -

Turramurra v West Pymble

**Final:** Wednesday 4th May draw to be decided

### Gissing Consistency Competition

The 73rd year of this much anticipated event again did not disappoint with numerous exciting finishes. In particular the performance of a new member, **John Rayner**, (registered at 2010 Open Day) was able to hold on and defeat **Gof Bowles** in the final. Our congratulations are extended to both players.

Summary Results - Friendly Matches:

KBC v Lindfield (Fred Salisbury Painting Trophy) won by Lindfield BC

KBC v Warrawee (Sir Eric Langker Painting Trophy) won by KBC

KBC v Killara Golf Club (Stedman Bowl Trophy) won by KBC

## Assistant Bowls Secretary Don Buddee Reports

Our 2011 Championships have commenced with the completion of the Gissing Consistency and Minor Pairs Competitions.

There were many close matches in the Gissing Competition with the exception of the ultimate winner John Rayner. John's average winning margin over all matches was 53 points. John has excelled as a new member and has quickly progressed to become a regular member of our Pennants Teams. He will never again enjoy the generous handicap of a new bowler. Well done John.

A limited field of only six entrants contested the Minor Pairs with *David Warren* and *Don Buddee* defeating *Ian Armstrong* and *Dale McBean* in the final.

A field of 25 have registered for the Major Singles which has progressed to the Quarter finals. Fourteen entries have been received for the Major Pairs.

Good Bowling **Don**

A guy was sitting quietly reading his paper when his wife walked up behind him and whacked him on the head with a magazine.

"What was that for?" he asked.

"That was for the piece of paper in your pants pocket with the name Laura Lou written on it," she replied.

"Two weeks ago when I went to the races, Laura Lou was the name of one of the horses I bet on," he explained.

"Oh honey, I'm sorry," she said. "I should have known there was a good explanation."

Three days later he was watching a ball game on TV when she walked up and hit him in the head again, this time with the iron skillet, which knocked him out cold.

When he came to, he asked, "What the hell was that for?" She replied....."Your horse called."

**When John found out he was going to inherit a fortune when his sickly father died, he decided he needed a woman to enjoy it with. So one evening he went to a singles bar where he spotted the most beautiful woman he had ever seen. Her natural beauty took his breath away.**

**"I may look like just an ordinary man" he said as he walked up to her "but in just a week or two, my father will die, and I'll inherit 20 million dollars."**

**Impressed, the woman went home with him that evening and, three days later, she became his stepmother. Women are so much smarter than men - when it involves money**

**A 2007 study found that the average Australian walks about 1440 Km a year. Another study found that Australians drink an average of 97 Lt. of beer a year. That means, on average, Australians get about 15 Km/L." Not bad eh!**

## Goodbye Granddad

Poor old Granddad's passed away, cut off in his prime,  
He never had a day off crook - gone before his time,  
We found him in the dunny, collapsed there on the seat,  
A startled look upon his face, his trousers around his feet  
The doctor said his heart was good - fit as any trout,  
The Constable had his say, 'foul play' was not ruled out.

There were theories at the inquest of snakebite without trace,  
Of redbacks quietly creeping and death from outer space,  
No-one had a clue at all - the coroner was in some doubt,  
When Dad was called to have his say as to how it came about,  
'I reckon I can clear it up,' said Dad with trembling breath,  
'You see it's quite a story - but it could explain his death.'  
'This here exploration mob had been looking at our soil,  
And they reckoned that our farm was just the place for oil,  
So they came and put a bore down and said they'd make some trials,  
They drilled a hole as deep as hell, they said about three miles.  
Well, they never found a trace of oil and off they went, post haste,

And I couldn't see a hole like that go to flamin' waste,  
So I moved the dunny over it - real smart move I thought,  
I'd never have to dig again - I'd never be 'caught short'.  
The day I moved the dunny, it looked a proper sight,  
But I didn't dream poor Granddad would pass away that night,  
Now I reckon what happened - poor Granddad didn't know,  
The dunny was re-located when that night he had to go.  
And you'll probably be wondering how poor Granddad did his dash  
Well, he always used to hold his breath 'til he heard the splash!!

## ANSWERING THE CALL TO DUTY

**Ian Cameron-Smith arrived in Sydney after an overnight flight but still attended a Board Meeting and dressed to play Pennants as Skip in our Sixes.**

**Good on you Ian!**

The other day I went up to a local Christian bookstore and saw a "Honk if you love Jesus" bumper sticker. I was feeling particularly sassy that day, because I had just come from a thrilling choir practice followed by a powerful prayer meeting, so I bought the sticker and put it on my bumper.

I was stopped at a red light at a busy intersection just lost in thought about the Lord and how good He is, and I didn't notice that the light had changed. It is a good thing someone else loves Jesus; because if he hadn't honked, I'd never have noticed.

I found that LOTS of people love Jesus. Why, while I was sitting there, the nice man behind started honking like crazy, and he leaned out of his window and screamed, "for the love of God, GO! GO!" What an exuberant cheerleader he was for the Lord.

Everyone started honking! I just leaned out of my window and started waving and smiling at all these loving people.

I even honked my horn a few times to share in the love. I saw another man waving in a funny way with only his middle finger stuck up in the air. When I asked my teenage grandson in the back seat what that meant, he said that it was an Fijian good luck sign or something.

Well, I've never met anyone from Fiji, so I leaned out the window and gave him the good luck sign back.

My grandson burst out laughing; why even he was enjoying this religious experience.

A couple of the people were so caught up in the joy of the moment that they got out of their cars and started walking towards me.

I bet they wanted to pray or ask what church I attended, but this is when I noticed the light had changed. So I waved to all my sisters and brothers, smiled at them all, and drove on through the intersection.

I noticed I was the only car that got through the intersection before the light changed again, and I felt kind of sad that I had to leave them after all the love we had shared, so I slowed the car down, leaned out of the window, and gave them all the Fijian good luck sign one last time as I drove away.

### **Two Texans are talking.**

Jeff turns to Shorty and says, 'You know, I'm tired of going through life without an education. Tomorrow I think I'll go to the Tech and sign up for some classes.'

Shorty thinks it's a good idea, and the two leave.

The next day, Jeff goes down to the college and meets the Dean who

signs him up for the four basic classes: Math, English, History, and Logic.

'Logic?' Jeff says. 'What's that?' The Dean says, 'I'll give you an example. 'Do you own a weed eater?' 'Yeah.'

'Then logically speaking, as you own a weed eater, I think that you would have a yard.' That's true, I do have a yard.' 'I'm not done,' the Dean says. 'as you have a yard, I think logically that you would have a house.' 'Yes, I do have a house.' 'And because you have a house, I think that you might logically have family.' 'Yes, I have a family.'

'I'm not done yet. Because you have a family, then logically you must have a wife. And because you have a wife, then logic tells me you must be a heterosexual.'

'I am a heterosexual. That's amazing; you were able to find out all of that because I have a weed eater.'

Excited to take the class now, Jeff shakes the Dean's hand and leaves to meet Shorty at the bar. He tells Shorty about his Logic class.

'Logic?' Shorty says, 'What's that?' Jeff says, 'I'll give you an example. Do you have a weed eater?' 'No.'

'Then you're a queer.'
