Nominator Responsibilities

Responsibility of Members in Nominating New Members

1. Obtain from the Secretary or the web site a Membership application form.
2. Take personal steps to ensure that all necessary particulars are completed, and that relevant personal knowledge of the nominee is recorded. It is the responsibility of the Member (sponsor) to ensure that the nominee is of unblemished character and that he or she will be an asset to our Club.
3. Immediately after the form is completed, return it to the KBCL Secretary. The application will be forwarded to the Men's or Women's Committee for their consideration.
4. The Mens or Womens Committee will arrange for the new playing Member to be introduced to a Club Coach, with a view to providing tuition and coaching if he or she is a beginner, or for testing of the playing standard if he or she has played bowls previously. Membership applications will only be considered by the Board once the potential new member has achieved an acceptable playing standard.
5. A notice advising current Members of the application for membership, will be placed on the Club's noticeboard at least 7 days prior to the Club Board Meeting at which the application will be considered.
6. The Club Board will make a final determination of the application at their monthly meeting.
7. When you receive notice from the Secretary that your nominee has been admitted to membership, arrange for the person to attend the Club and be introduced to as many members as possible.
8. Advise the new Member, if necessary, on the purchase of equipment and clothing which is required under the Rules of the relevant Men's or Women's Association – a Club Coach will advise as to size of bowls, if necessary. Advise on bowls etiquette and show the new Member the Club layout, including the locker room.
9. Take all necessary steps to ensure that the new Member is made to feel at home at our Club.
